WORKSHOP

ESG for Boards:
Driving Governance, Risk & Sustainable Growth

Designed for Board Directors, INEDs, C-suite Executives, Company Secretaries, and Governance Professionals ready to embed in ESG strategy, risk, and oversight.

Equips board directors, C-suite executives, and governance professionals with practical knowledge to strengthen ESG oversight and integrate sustainability into strategic decision making.

The workshop explores key ESG trends, governance responsibilities, risk management, sustainable finance, stakeholder engagement, and crisis communication. Participants will gain practical insights to strengthen accountability, navigate emerging ESG risks and opportunities, and support long term value creation and sustainable organisational growth.

Fees	**RM1,800 per pax** (HRD claimable | Limited seats – reserve now)

Group discounts available on-request.

Learning Outcomes

- Understand the board's role in overseeing ESG and sustainability matters, including governance, accountability, and strategic direction
- Recognise key ESG-related frameworks, risks, opportunities, and emerging trends that may influence organisational performance and decision-making
- Explore practical approaches for strengthening ESG oversight, risk management, stakeholder engagement, and long-term value creation at the board level

What We Will Cover

- Understand ESG governance, accountability, and board oversight.
- Recognise key ESG frameworks, risks, opportunities, and trends.
- Strengthen ESG risk management and stakeholder engagement.
- Drive long-term value through effective ESG leadership.
