

For a Future That Works

Borneo Sustainability Professionals Week

13 – 16 July 2026 | 9am – 6pm | Hilton Kuching, Sarawak

Four days filled with workshops and masterclasses designed to build capacity and foster impactful learning. Get practical tools and expert instruction for your ESG work. Learn to improve your organisation’s performance and build a more resilient business.

Reserve your seats! **Whatsapp +6011 5638 7278** | thefulleracademy.com/fullerweek

Join leaders shaping a future where sustainability drives value and impact.

These courses equip you with practical tools, proven strategies, and the confidence to transform your organisation. Across nine focused workshops, and one masterclass, you will explore key ESG themes from biodiversity and net zero to human rights and supply chains.

Each session is designed to spark action and turn ambition into measurable impact. Join forward-thinking leaders shaping a future where purpose drives performance.

Why You Can't Miss This

Build practical ESG capability across Environment, Social, and Management tracks. Equip your team with tools to lead with clarity and confidence. Stay aligned with global standards while driving real, measurable impact.

Who's It For?

Trailblazing sustainability professionals, operations visionaries, HR innovators, board directors, and C-suite pioneers from manufacturing, energy, logistics, construction, and more.

Choose from three specialised topics, mix and match sessions to suit your goals, and save more when attending multiple sessions — or join the 2-day ESG for Business workshop.

Fuller Week: RM1,800/pax per workshop. **5% OFF for 2, 10% OFF for 3 and above.**
ESG for Business workshop: RM2,500/pax.

Date	Environment	Social	Management
13-14 July 2026	ESG for Business: Turning Principles into Action		
14 July 2026	Biodiversity Management for Business: From Risk to Resilience	Occupational Health & Safety (OSH): Building Safer and Resilient Workplaces	ESG for Boards: Driving Governance, Risk & Sustainable Growth
15 July 2026	GHG Emissions & Net Zero Transition	Advancing Diversity, Equity & Inclusion (DEI) to Drive Organisational Growth	The Sustainability Leader's Playbook: Stepping into the CSO Role
16 July 2026	Designing for Efficiency: Waste & Resource Management Across the Lifecycle	Responsible Business: Embedding Human Rights Across Operations and Value Chains	Sustainable Supply Chain & Procurement: Building Resilient and Responsible Value Chains

Tickets are MYR 1,800 per workshop for Fuller Week, except for Occupational Health & Safety (OSH) workshop and ESG for Boards workshop. MYR 2,500 for ESG for Business workshop. Enjoy 5% off when you register for two workshops, or 10% off for three or more. All tickets are 100% HRDC-claimable. Seats are confirmed upon full payment or HRDC claim submission. Prices include venue, refreshments, and applicable taxes. Register at thefulleracademy.com/fullerweek or contact +60 11 5638 7278 (call/WhatsApp).

Masterclass

ESG for Business

Turning Principles into Action

13 – 14 July 2026 | 9am – 6pm
Hilton Kuching, Sarawak

This two-day workshop provides professionals at all levels with a practical understanding of ESG principles. Participants will learn how to integrate ESG into operations, develop actionable sustainability roadmaps, and drive meaningful transformation across their organisations

Reserve your seats! [Whatsapp +6011 5638 7278](https://www.whatsapp.com/business/profile/601156387278) | thefulleracademy.com/fullerweek

ESG for Business: Turning Principles into Action

Meet your trainer:

Bernadine Francis

MSc Sustainability Science

Bernadine Francis, Knowledge Management & Innovation Lead at Fuller Impact, brings expertise in sustainability science and practice to the forefront. She has led numerous projects focused on developing tailored ESG strategies, aligning sustainability with operational goals, and driving long-term value for businesses.

Bernadine specialises in strategic planning, resource efficiency, and stakeholder engagement, ensuring that organisations can meet their sustainability targets effectively. In this workshop, she provides practical insights into the essentials of ESG, guiding participants through the foundational concepts and their real-world applications.

Modules

Topics explored in this training include:

Business and Sustainability

- Exploring sustainability concepts, benefits, risks, and global trends.

ESG 101

- ESG essentials: environment, social, governance – key issues, impact, regulations, practices.

Innovation & Business Models

- Sustainability-driven innovation using design tools and real-world examples.

Integrating ESG: Risk & Opportunity

- ESG risks, opportunities, stakeholders, materiality, and benchmarking for strategy.

Sustainability Goal Setting & Strategy

- Set SMART goals, plan ESG roadmap, prioritise actions, planning resources.

Kickstarting ESG

- Assesses readiness, defines roles, identifies competencies, promotes strong ESG leadership.

Emerging ESG Trends

- Exploring future ESG trends, regulations, and technology-driven advancements.

Tickets are MYR 1,800 per workshop for Fuller Week, except for Occupational Health & Safety (OSH) workshop and ESG for Boards workshop. MYR 2,500 for ESG for Business workshop. Enjoy 5% off when you register for two workshops, or 10% off for three or more. All tickets are 100% HRDC-claimable. Seats are confirmed upon full payment or HRDC claim submission. Prices include venue, refreshments, and applicable taxes. Register at thefulleracademy.com/fullerweek or contact +60 11 5638 7278 (call/WhatsApp).

Biodiversity Management for Business: From Risk to Resilience

Meet your trainer:

Surin Suksuwan

Biodiversity Consultant

Surin is an independent consultant and trainer with more than 25 years' experience in natural resources management, biodiversity conservation, and sustainability. Surin has an MSc in Biodiversity and Taxonomy of Plants from the University of Edinburgh and is a member of the IUCN World Commission on Protected Areas (WCPA). He has been involved in various projects related to biodiversity conservation and agri-commodity sustainability in Malaysia, Indonesia, Papua New Guinea, Thailand and the Philippines.

Surin is a qualified lead assessor and trainer for the High Conservation Value (HCV) approach and is also a trainer accredited by the Human Resources Development Corp of Malaysia. He is also a co-founder of the Sunda Shelves bookshop which specialises in nature, culture and travel in Southeast Asia.

Modules

Topics explored in this training include:

Biodiversity and Business: Why Nature Matters

- The role of biodiversity in ecosystem services and business value, key sector risks and dependencies, and the business case for biodiversity action.

Biodiversity Assessment & Monitoring

- Conducting impact and dependency assessments across operations and value chains using tools such as TNFD LEAP, biodiversity indicators, and practical monitoring frameworks.

Strategy & Integration: Embedding Biodiversity into Business

- Setting biodiversity goals and KPIs, applying the mitigation hierarchy (avoid, minimise, restore, offset), and building partnerships with NGOs, communities, and regulators.

Exploring Nature-Based Solutions

- Understanding NBS, business applications such as mangrove restoration, watershed protection, and agroforestry, and financing approaches including biodiversity credits and ESG funds.

Reporting on Nature

- Using key reporting frameworks such as GRI 304, TNFD, SBTN, & ISSB/IFRS, with indicators to measure biodiversity performance and communicate outcomes to stakeholders & investors.

Future Outlook: Towards a Nature-Positive Economy

- Global biodiversity frameworks, emerging nature-positive strategies in business and finance, evolving regulatory expectations, and new biodiversity finance mechanisms.

GHG Emissions & Net Zero Transition

Tools and Resources

Participants who attend this course will receive:

- Comprehensive training materials, including full slides and key resources
- A Certificate of Completion from Fuller Academy
- Lunch and refreshments for a comfortable learning experience
- Opportunities for networking with like-minded professionals

Modules

Topics explored in this training include:

Fundamentals of GHG Emissions

- Understand Scope 1, 2, and 3 emissions, with key standards like ISO 14064, GHG Protocol, and IPCC guidelines.

Measuring & Reporting Emissions

- Explore data collection, carbon accounting tools, and ESG reporting frameworks (GRI 305, IFRS S2, Bursa Malaysia).

Mapping & Managing GHG Emissions

- Identify emissions hotspots, engage suppliers for Scope 3, and use dashboards and risk tools to prioritise action.

Net Zero Strategy & Roadmap

- Set science-based targets and apply decarbonisation pathways while embedding climate strategy into business planning.

Carbon Markets & Credits

- Understand compliance vs. voluntary markets, offsets vs. insetting, and regional developments in ASEAN and Malaysia.

Policy, Risks & Opportunities

- Navigate global and local policies, assess climate risks, and capture opportunities in green finance and innovation.

Case Studies & Future Outlook

- Learn from leaders, explore innovations (CCUS, hydrogen), and move toward climate-positive business models.

Tickets are MYR 1,800 per workshop for Fuller Week, except for Occupational Health & Safety (OSH) workshop and ESG for Boards workshop. MYR 2,500 for ESG for Business workshop. Enjoy 5% off when you register for two workshops, or 10% off for three or more. All tickets are 100% HRDC-claimable. Seats are confirmed upon full payment or HRDC claim submission. Prices include venue, refreshments, and applicable taxes. Register at thefulleracademy.com/fullerweek or contact +60 11 5638 7278 (call/WhatsApp).

Designing for Efficiency: Waste & Resource Management Across the Lifecycle

Meet your trainer:

**Dr. S.Sri
Umeswara**

Waste Management Expert

An expert in circular economy, sustainability, and waste management, he is CEO and Co-founder of Smart Circularity Sdn Bhd. He serves as Secretary-General of Selangor Recycling Entrepreneurs Cooperative and Vice-Chairman of MPMA's Sustainability and Recycling Committees. Dr. Sri holds a PhD in Environmental Science from Malaysia University of Science and Technology and is studying Environmental Law.

An ELITE Fellow at University Malaya, he advises Malaysian ministries, contributes to UNEP and COBSEA projects on plastic waste and marine litter, leads circular economy and EPR initiatives, and shares his expertise through articles, presentations, and media appearances.

Modules

Topics explored in this training include:

Rethinking Waste as a Resource

- View waste as a valuable resource. Apply a lifecycle perspective and shift from linear “take-make-dispose” to circular approaches that retain material value.

Designing for Resource Efficiency

- Minimise waste, enhance durability, use sustainable materials, and explore product-service models to extend lifespans and reduce environmental impact.

Circular Economy in Practice

- Implement strategies like the 9Rs, industrial symbiosis, and closed-loop systems to create sustainable value and competitive advantage.

Resource Efficiency in Operations & Supply Chains

- Optimize production, engage suppliers, adopt circular procurement, and embrace EPR for efficiency & sustainability.

End-of-Life Management & Recovery

- Use segregation, take-back systems, and recovery strategies to safely handle materials and extract value at end-of-life.

Monitoring, Reporting & Continuous Improvement

- Track KPIs like resource intensity and circularity, report via GRI/IFRS, and pursue zero-waste roadmaps to drive ongoing improvement.

Tickets are MYR 1,800 per workshop for Fuller Week, except for Occupational Health & Safety (OSH) workshop and ESG for Boards workshop. MYR 2,500 for ESG for Business workshop. Enjoy 5% off when you register for two workshops, or 10% off for three or more. All tickets are 100% HRDC-claimable. Seats are confirmed upon full payment or HRDC claim submission. Prices include venue, refreshments, and applicable taxes. Register at thefulleracademy.com/fullerweek or contact +60 11 5638 7278 (call/WhatsApp).

The Sustainability Leader's Playbook: Stepping into the CSO Role

Tools and Resources

Participants who attend this course will receive:

- Comprehensive training materials, including full slides and key resources
- A Certificate of Completion from Fuller Academy
- Lunch and refreshments for a comfortable learning experience
- Opportunities for networking with like-minded professionals

Modules

Topics explored in this training include:

Becoming the Chief Sustainability Officer: What Does it Take

- Build the strategic, technical, and leadership capabilities needed to lead sustainability across the organisation.

Kickstarting Sustainability in Your Organisation

- Gain stakeholder support, identify ESG priorities, and build the structure for effective sustainability implementation.

Setting the Direction & Building the Roadmap

- Align sustainability with business strategy through clear roadmaps, targets, and sustainable business models.

Operationalising ESG & Driving Transparent Reporting

- Integrate ESG into operations and reporting systems to strengthen transparency, accountability, and investor confidence.

Leading Change & Building Culture

- Drive cultural change, strengthen ethical leadership, and develop future sustainability champions.

The Future CSO — Staying Ahead

- Prepare for emerging ESG trends while building organisational resilience and long-term sustainability leadership.

ESG for Boards: Driving Governance, Risk & Sustainable Growth

Meet your trainer:

Salleh Hassan

*Fellow and Board Director
Institute of Corporate
Directors Malaysia (ICDM)*

As a governance and sustainability expert, Salleh Hassan has over three decades of experience in board education, regulatory capacity building, and sustainability reporting. Formerly Director of Professional Standards & Qualifications at the Securities Industry Development Corporation (SIDC), he led key industry competency and professional qualification initiatives.

He also chaired the Adjudication Committee for the National Annual Corporate Governance and Sustainability Awards (NACGSA) in 2024 and 2025, advised ASEAN governance initiatives with the Asian Development Bank, and serves as a Fellow and Board Director of the Institute of Corporate Directors Malaysia (ICDM).

Modules

Topics explored in this training include:

Overview of ESG & the Role of the Board

- Understand ESG risks, opportunities, and long-term value creation while strengthening governance, accountability, culture, and stakeholder trust through effective board oversight.

ESG Landscape & Emerging Trends

- Navigate evolving ESG standards, regulations, supply chain risks, and digital transformation.

Leading with Purpose: Driving ESG from the Boardroom

- Drive ESG direction through strong governance, ethical leadership, and practical implementation.

Sustainability, Finance & ROI

- Align ESG with financial performance, sustainable investment, and credible disclosures.

Risk, Controls & Crisis Communication

- Manage ESG risks through strong controls, reporting, and crisis response.

Future Ready Board

- Build resilient, ESG-competent boards prepared for future challenges and stakeholder expectations.

Tickets are MYR 1,800 per workshop for Fuller Week, except for Occupational Health & Safety (OSH) workshop and ESG for Boards workshop. MYR 2,500 for ESG for Business workshop. Enjoy 5% off when you register for two workshops, or 10% off for three or more. All tickets are 100% HRDC-claimable. Seats are confirmed upon full payment or HRDC claim submission. Prices include venue, refreshments, and applicable taxes.

Advancing Diversity, Equity & Inclusion (DEI) to Drive Organisational Growth

Tools and Resources

Participants who attend this course will receive:

- Comprehensive training materials, including full slides and key resources
- A Certificate of Completion from Fuller Academy
- Lunch and refreshments for a comfortable learning experience
- Opportunities for networking with like-minded professionals

Modules

Topics explored in this training include:

Overview of DEI

- Understand diversity, equity, and inclusion and their value in driving innovation, engagement, and organisational performance.

Inclusive Leadership in Organisation

- Practice inclusive leadership by reducing bias, building trust, and fostering psychological safety.

Building Strategic Direction for DEI in Our Organisation

- Align DEI with organisational goals and set clear, measurable priorities linked to overall strategy.

Operationalising DEI Across Leadership Functions

- Embed DEI into HR systems, policies, and performance management with strong data-driven accountability

DEI Leadership Commitment & Action Plan

- Turn DEI strategy into action through leadership commitment, measurable KPIs, and sustained organisational support.

Innovation & Future Trends

- Prepare for future supply chain demands through digitalisation, circular practices, and evolving global standards.

Responsible Business: Embedding Human Rights Across Operations and Value Chain

Meet your trainer:

Azrina Abdullah*Human Rights Expert*

Azrina has over 30 years of international experience in sustainable development, specialising in social and environmental impact management, human rights risks and social compliance. Her work spans labour rights, indigenous peoples, land and resettlement, cultural heritage and social auditing for international development banks.

She has developed human rights management systems aligned with the UNGPs and IFC Performance Standards, and is a certified SA8000 (Advanced) Auditor and ISO 37001 Lead Auditor. She has also led numerous M&A social due diligence exercises across multiple industries.

Modules

Topics explored in this training include:

Business & Human Rights

- UNGPs, OECD, ILO, and Malaysia's NAP 2025–2030 set the context and show why human rights matter to businesses (risk, value, and compliance).

Human Rights Risks Across Sectors

- Industry hotspots include forced labour, migrant rights, gender equality, indigenous rights, and digital privacy, supported by case studies from Malaysia and Southeast Asia.

Human Rights Due Diligence (HRDD)

- Step-by-step HRDD: identification, assessment, prevention, mitigation, tracking, and communication, supported by practical tools and templates.

HR in Corporate Governance and Reporting

- Policies, codes of conduct, governance roles, and reporting requirements (GRI, UNGP, Bursa).

Access to Remedy

- Designing effective grievance mechanisms, why they matter under UNGP Pillar 3, and examples of worker voice, whistleblowing, and community remedy systems.

Trends and the Future of Business & HR

- Global regulatory shifts (EU CSDDD), rising human rights risks linked to climate, just transition and AI, and what Malaysian businesses must prepare for next.

Tickets are MYR 1,800 per workshop for Fuller Week, except for Occupational Health & Safety (OSH) workshop and ESG for Boards workshop. MYR 2,500 for ESG for Business workshop. Enjoy 5% off when you register for two workshops, or 10% off for three or more. All tickets are 100% HRDC-claimable. Seats are confirmed upon full payment or HRDC claim submission. Prices include venue, refreshments, and applicable taxes. Register at thefulleracademy.com/fullerweek or contact +60 11 5638 7278 (call/WhatsApp).

Occupational Health & Safety

Building Safer and Resilient Workplaces

Meet your trainer:

Dr. Dzulkarnain Abu Bakar

Retired HSSE & Sustainability Professional

Dr. Dzul is an Environment, Safety, Health & Industrial Security specialist with nearly 30 years of experience across oil & gas, construction, fabrication and petrochemical industries. Having served as an owner/operator, client, contractor, vendor and consultant, he brings practical, on-the-ground insight to real HSES challenges.

He has led the development of key safety culture programmes, BBS, PBS, EBS and Total Safety Culture, alongside standards such as OHSAS 18001 and ISO 14001. With a hands-on approach and a PhD in Industrial Safety & Health Technology, Dr. Dzul equips participants with practical strategies to strengthen OSH systems, improve compliance and build a strong safety-first culture.

Modules

Topics explored in this training include:

Foundations of OSH

- The importance of OSH for people, business and ESG, key laws such as OSHA 2022 and ISO 45001, and the shared roles of managers and executives.

Workplace Hazards & Risk Assessment

- The types of workplace hazards—physical, chemical, biological, ergonomic and psychosocial and control them using HIRARC.

Policies, SOPs & Compliance

- Why SOPs matter, how to implement them, and how to ensure and monitor compliance.

Incident & Emergency Management

- Incident reporting, reporting procedures, root cause analysis, and emergency response planning.

Monitoring & Reporting

- Key OSH performance indicators Leading, Lagging & Balanced Indicators.

Building Safety Culture

- Why safety culture matters and how to strengthen it through engagement, leadership, toolbox talks, campaigns, and OSH-linked KPIs.

Tickets are MYR 1,800 per workshop for Fuller Week, except for Occupational Health & Safety (OSH) workshop and ESG for Boards workshop. MYR 2,500 for ESG for Business workshop. Enjoy 5% off when you register for two workshops, or 10% off for three or more. All tickets are 100% HRDC-claimable. Seats are confirmed upon full payment or HRDC claim submission. Prices include venue, refreshments, and applicable taxes. Register at thefulleracademy.com/fullerweek or contact +60 11 5638 7278 (call/WhatsApp).

Sustainable Supply Chain & Procurement: Building Resilient and Responsible Value Chains

Tools and Resources

Participants who attend this course will receive:

- Comprehensive training materials, including full slides and key resources
- A Certificate of Completion from Fuller Academy
- Lunch and refreshments for a comfortable learning experience
- Opportunities for networking with like-minded professionals

Modules

Topics explored in this training include:

Why Sustainable Supply Chains Matter

- Strengthen resilience, compliance, and competitiveness through sustainable supply chain practices.

Mapping & Assessing the Supply Chain

- Improve transparency by mapping supply chains and identifying key ESG risks and stakeholders.

Sustainable Procurement Practices

- Integrate ESG considerations into procurement strategies while balancing cost, quality, and operational needs.

Supplier Engagement & Development

- Enhance supplier sustainability performance through engagement, capacity building, and compliance management.

Driving Supply Chain Efficiency

- Improve operational efficiency through sustainable logistics, monitoring, and technology-driven performance tracking.

Innovation & Future Trends

- Prepare for future supply chain demands through digitalisation, circular practices, and evolving global standards.

Section E: Terms and Conditions

REGISTRATION

Course confirmation slip must be sent to Fuller Impact Sdn Bhd, no later than fourteen (14) working days before commencement of course. Fuller Impact Sdn Bhd also reserves the right to make alternative arrangements without prior notice should it be necessary to do so. Upon registering, you are deemed to have read and accepted the terms and conditions herein.

PAYMENT

Payment must be made before the commencement of the course or on the first day of the course and made payable to Fuller Impact Sdn Bhd. Official receipt will be issued once a payment has been made. A confirmation email will be sent to you at least one week before training once your application is approved.

CERTIFICATE OF COMPLETION

All participants are required to present photo identification at the point of registration prior to signing the registration list when attending the programme. Course certificate will be awarded to participants who attended no less than 80% of the course.

CANCELLATIONS

Cancellations are non-refundable. A substitute candidate may be made at no extra charge. Please provide the name, position, and IC number of the substitute at least three (3) days before the course. All cancellations must be made in writing and notified no less than seven (7) working days prior to the course commencement date. No refunds will be made for any participants who fail to show up for course.

COPYRIGHT

No part of the programme or materials may be reproduced in any form, stored in a retrieval system, transmitted by any means electronically or mechanically, photocopied, or recorded, without the prior permission of the author.

DISCLAIMER

All workshops are HRDC claimable. Please note that for Human Resource Development Corporation (HRDC) claims, an upfront payment of 30% of the total approved course fee from the HRDC grant is required. HRDC grant approval must also be obtained at least fourteen (14) days prior to the commencement of the learning programme. CPD recognition varies by professional body. Please verify with your respective body before registering.
