Step into the future of transparent and accountable business.

This two-day programme empowers changemakers to master the art and science of sustainability reporting. Decode global frameworks like Bursa SEDG and IFRS S1 & S2. Learn to turn data into strategy, compliance into confidence, and reports into powerful stories of impact. Build credibility through assurance standards, strengthen alignment with organisational goals, and lead the charge toward a more trusted, performance-driven future.

Pick from two specialised topics. Mix and match to fit you and your team's professional goals and enjoy greater savings when you attend more.

Date	Topic	Price
8 Sep 2026	Bursa-Compliant Sustainability Reporting: From Materiality to Disclosure	RM 1,800/pax
9 Sep 2026	IFRS S1 & S2 Reporting	RM 2,150/pax

Why You Can't Miss This

Command sustainability reporting with practical frameworks and real-world applications. Build confidence to lead disclosures that meet Bursa Malaysia and global standards like GRI and IFRS, delivering credibility and impact.

Who's It For?

Sustainability professionals, finance leaders, governance experts, and corporate strategists shaping credible reporting. Designed for C-suite pioneers, board directors, and operations leaders across manufacturing, energy, logistics, construction, finance, and more.
